

Getting to DRLHOLM in Keene Valley

1. Take the Northway (87) to Exit 30 – Keene/Keene Valley
2. Take 73 West to the town of Keene Valley
3. Just past the Adirondack Department Store make a right onto Beede Road.
4. When you reach the curve in the paved road, turn right onto the dirt road and head up the hill.
5. DRLHolm is the second driveway on the left (the driveway goes up a hill). Look for a green sign with gold letters "DRLHOLM" on a tree to the right of the driveway.

Getting in the house

1. Go up the steps and into the screened in porch
2. The key is hanging behind the little cabin on the wall. This key opens the front door and side basement door.

1. Go under the porch and into the Basement and turn on the main power switch (1)
2. Turn on the water in the kitchen sink to make sure water is flowing.
3. Turn on the Hot Water Heater (2)

When you leave:

1. Clean out any food left in the fridge and leave the door ajar
2. Shut off the two power switches.
3. Lock up and make sure the keys are back where they belong.
